

**REMARKS**

Applicant herein offers in this supplemental submission a further minor amendment to the specification for clarification of the term “riserless”, fully consistent with the description and drawings, with respect to its use in the claims. No new subject matter is added.

***Status of specification, abstract and claims***

Previously presented claims 1-20 remain pending.

***Applicant's Request for Entry and Allowance***

Applicant believes the prior after-final and above supplement amendments and remarks to be fully responsive to the Office Action of 04/03/2007, thereby placing this application in condition for allowance. No new matter is added. Applicant requests speedy reconsideration, and further requests that Examiner contact its attorney by telephone, facsimile, or email for quickest resolution, if there are any remaining issues.

Respectfully submitted,
